

2019 NJHFR CAMPSITE INFORMATION

There are approximately 1,080 campsites available at the South Dakota State Fairgrounds in Huron, SD. These are water and electric sites. The W/E sites are \$325 (includes two complimentary pumps). Pumping services will be available on site for \$35/pump and \$50/water if needed.

Reservations for camping will be made through the National Office and campsites will be assigned on an individual basis. Units that are oversized may be required to park in other areas of the park, away from the rest of the state. We will make every attempt to avoid this, but bear in mind, this is a possibility.

Electric service is all 30 amp. Please make provisions and prepare for this. The grounds are mostly level and the spaces are fairly tight.

Extended families will be invited to camp as well, however their reservation **MUST** be received with the rest of the state or provincial reservations (including full payment to the state secretary).

State and Provincial secretaries should collect payment from all campers and remit one check from your state or province to the NHSRA. **There will be no refunds issued after June 3rd, 2019! If refund requests are received prior to June 3rd, they will be remitted directly to the State Secretary who will disperse funds accordingly in August, 2019.** **NO REFUNDS WILL BE ISSUED FOR CAMP SITES UNLESS THERE IS A CLERICAL ERROR OR IF REFUND REQUEST IS RECEIVED AFTER JUNE 3rd, 2019.**
