Re: Memorial Night Grand Entry at NJHFR and NHSFR

Date: April 2019

In years past we have done a memorial night on the Tuesday of competition. This year we are upholding that tradition, but making it more of a statement. We have decided to compile a tribute video to loved ones who have passed this current rodeo season. The purpose of this video is to recognize members NHSRA and NHSRA family. The memorial video will be played prior to the flag presentations and introductions and will be a part of the opening ceremonies on Tuesday June 25th at NJHFR and Tuesday July 16th for NHSFR.

The video will reveal a picture and name, along with the dates of life. We need each state/province to provide this information of those who have passed since August 1, 2018.

Please send an email with name, dates, what state and an image to Chanel or Gary in the office so we can get their name and image added to the tribute video.

Chanel: [chanel@nhsra.org](mailto:chanel@nhsra.org) Gary: [gary@nhsra.org](mailto:gary@nhsra.org)

We would like to have all images in no later than June 15th for NJHFR and July 6th for NHSFR. (To ensure we get the image for the correct rodeo please include in the subject line NJHFR and/or NHSFR)

We know how special these people mean to you and we hope to highlight their memory in the best way possible.

*(If you have a loved one pass after the deadline, please contact Gary or Chanel and we can insert their name and image if available.)*
