

Immediate Release -- March 18, 2020

Dear Members,

The National High School Rodeo Association would like to inform you of our plans for the rest of the 2019-2020 season. Considering the recent events, the Executive Committee has been in contact with each National Director and Secretary suggesting they follow government health protocol for your upcoming rodeos. Currently, it is the state or province's decision, along with the facility, to have the rodeo or not.

Regarding the 2020 NJHFR & NHSFR, those events are to remain as scheduled. The office will continue to work daily with the preparation and execution required. Please note this is a rapidly changing situation and we will be providing you with information regarding upcoming events.

We are wishing you all safety and wellness in these uncertain times.

Sincerely,

James Higginbotham, NHSRA executive director
Executive Committee
& Staff
