

Greetings,

We hope you are finding comfort in these rough times. To follow with government compliance for the State of Colorado the NHSRA office staff is currently working from our homes. The state of Colorado entered a “Lock-down” Thursday morning 3/26 that will last until 4/11. However, the county the office resides in will be on “Lock-down,” until April 17th.

We are still in the process of prepping for the state/provincial and both national finals. Please feel free to continue reaching out with any questions, concerns, or just to say, “Hi.” All staff will be checking emails and voicemails consistently while home.

To ensure you have the correct contact information please see below:
